THE PERFECT PARTNER FOR LIVE EVENTS

# ABOUT US

Established in the 1950's, our wealth of experience within the events and exhibitions industry is second to none. We pride ourselves in operating through three successful divisions – Furniture, Catering Equipment and Draping – offering a comprehensive and diverse range of live event hire solutions.

Over the years our client and product portfolios have evolved greatly to complement industry trends. Working with a diverse range of companies from agencies to exhibition organisers, each project varies greatly, allowing us to expand our skills further year on year. From initial consultation through to delivery, our passion, commitment and ability to supply our clients with award-winning, innovative hire solutions on time and within budget can be seen nationwide and across Europe.

With over 1.5 million items in stock we have designs to suit all occasions. From traditional through to on-trend pieces of furniture and catering equipment, we are certain you will find a style to complement your live event. Our creative team within our Draping Division support exhibition organisers by providing unforgettable experiences for delegates and visitors by transforming theatre spaces and creating bespoke feature areas.

No matter how large or small, we are the perfect partner for your live event!

## GREEN INITIATIVES

We are dedicated to providing environmentally-friendly furniture and equipment which is non-toxic and recyclable in an effort to reduce the company's carbon footprint.

All of our equipment is stored in temperature-controlled warehousing units fitted with energy saving LED lighting. Over the years we have invested heavily in implementing state-of-the-art dishwashing and furniture cleaning facilities, as well as an eco-friendly paint shop complete with environmentally-friendly dry-filtered spray booths.

We encourage our manufacturers, suppliers and contractors to develop and supply environmentally friendly goods and services and pride ourselves on operating a sophisticated Environmental Management System. This is constantly monitored to reduce excess waste and to ensure the organisation is kept in-line with current environmental and statutory legislation.

### Our contract with you

7. These Conditions apply to the Contract to the exclusion of any other terms that you have put forward, or which are implied by trade, custom, practice or course of dealing.

8. The Order constitutes an offer by you to hire the Equipment in accordance with these Conditions. You are responsible for ensuring that the Order (and

any applicable Specification submitted by you) is complete and accurate.

9. Where you have requested a quote for the hire of Equipment from us, we may provide such a quote over the telephone, by email or by fax. 11. If we cannot accept your Order. If we are unable to accept your Order, we will inform you of this in writing. This might be because the Equipment requested is out of stock for the relevant hire period, because of unexpected limits on our resources which we could not reasonably plan for, because we have identified an error in the hire price or description of the Equipment or because we are unable to meet a delivery deadline you have specified.

12. The Contract constitutes the entire agreement between the parties. You acknowledge that you have not relied on any statement, promise, representation, assurance or warranty made or given by or on behalf of us which is not set out in the Contract.

### Delivery, collection and inspection of the Equipment

17. Unless otherwise agreed in writing between you and us, delivery of the Equipment shall be made by us to you.

18. Where we are delivering the Equipment to you:

(a) We shall use reasonable endeavours to carry out the Delivery on the Delivery Date.

(b) You shall ensure that you or an authorised representative is available at the Designated Site on the Delivery Date. You or your authorised representative shall be responsible for examining the Equipment on Delivery to confirm it is in good condition and fit for the intended purpose (except with regards to any latent defects not immediately apparent on inspection) and to provide us with a signed written receipt confirming the Equipment is accepted.

(c) Where we are required to install the Equipment (or any part of it) for you, you or an authorised representative shall be present at the installation of the Equipment and shall inspect the Equipment after such installation and provide a written receipt to confirm the installation meets your requirements and is accepted.

(d) To enable the Delivery (and, where relevant, the installation of the Equipment) to take place, you shall (at your expense) provide all necessary materials, facilities, access, parking and suitable working conditions to our satisfaction to enable the Delivery (and installation) to be carried out safely and expeditiously at the Designated Site. This includes the provision of parking close to the Designated Site and suitable track way for deliveries to grass sites.

(e) You must notify us at the time you place your Order if the location specified as the Designated Site is not at ground level or if the distance between the parking available for our delivery vehicle and the Designated Site is such that it would not reasonably be possible to carry the Equipment by hand between them.

(f) Where you have not provided the materials, facilities, access, parking and suitable working conditions as required by paragraph 18(d) or you have not notified us of the matters referred to in paragraph 18(e), we may not be able to deliver the Equipment to the Designated Site and we will contact you to arrange an alternative accessible location to which we can deliver the Equipment and which our delivery driver confirms as acceptable in their absolute discretion ("Accessible Location"). You will then be responsible for arranging for the Equipment to be distributed in accordance with your requirements.

(g) Where we have not been able to deliver the Equipment to the Designated

Site in the circumstances set out in paragraph 18(f), any installation services that you have requested in respect of that Equipment from us will be postponed until such time (to be appointed by us in writing) as we are satisfied that you have moved the Equipment to the Designated Site or the necessary materials, facilities, access and suitable working conditions have been provided by you to allow us to carry out the installation of the Equipment at the Designated Site.

(h) We are not responsible for delays in Delivery which are outside our control. If our Delivery of the Equipment (in full or in part) is delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event, but if there is a risk of substantial delay in Delivery you may contact us to end the part of the Contract relating to the Equipment which is the subject of any delay and receive a refund for any Equipment you have paid for but not received.

(i) Under no circumstances should you attempt to move any of our delivery vehicles (with any lifting or towing equipment or otherwise) whether at the Designated Site or at any other location. You shall be liable for any damage or loss suffered by us as a result of any breach of this clause by you.

(j) Details of the Delivery Charges and Installation Charges are set out in paragraph 34. (k) If suitable parking facilities have not been arranged for our delivery vehicles, you agree to reimburse us in full for any parking fines we receive in connection with the delivery or collection of the Equipment to and from the Designated Site or Accessible Location.

19. Collection or return of the Equipment by you: Where we have agreed in writing that you will collect the Equipment from or return the Equipment to our depots in Hertfordshire, Birmingham or Manchester, you shall ensure you have or you have arranged the use of suitable vehicles for transporting the Equipment and you shall be responsible for loading and unloading the Equipment onto or from your (or your carrier's, agent's or sub-contractor's) vehicles. In addition to your liability for the Equipment during the Hire Period as set out in paragraph 27, you also accept full liability for damage or loss to the Equipment incurred during the loading or unloading of the Equipment to or from your (or your carrier's, agent's or sub-contractor's) vehicles or during the transportation of the Equipment.

20. Where we will collect the Equipment at the end of the Hire Period (or otherwise on termination of this agreement), we will use reasonable endeavours to collect the Equipment on the Collection Date. You will ensure that:

(a) the Equipment is available for collection by us from the Designated Site on the Collection Date. Where we were unable to deliver the Equipment to the Designated Site for the reasons set out in paragraph 18(f), you must ensure the Equipment is available for collection on the Collection Date from the Accessible Location to which it was delivered by us in accordance with paragraph 18(f); and

(b) you or your authorised representative is available on the Collection Date at the Designated Site or Accessible Location to receive a written receipt from us confirming details of the Equipment being collected by us and the condition it is in.

21. Where you will return the Equipment to us at our depot at the end of the Hire Period (or otherwise on termination of this agreement), you must:

(a) Return the Equipment on the Collection Date between 08:00 – 16:00 hrs, Monday – Friday

(c) Comply with the requirements of paragraph 19.

(a) additional Hire Charges may be applied for the period from the day after the Hire Period until such time as the Equipment is returned to us and we have issued a written receipt for it; and

(b) we shall be entitled (at your expense) to enter the Designated Site or any other premises at which the Equipment is located as your agent to retake possession of the Equipment; or

(c) where you fail to return any Equipment within 7 days of a written demand from us for the return of the Equipment, you shall pay to us the current replacement cost of the Equipment which has not been returned. The replacement cost will be deemed to be the insurance value.

23. You shall return the Equipment to us in the same condition as it was in at the start of the Hire Period as evidenced by the signed written receipt provided by you to us in accordance with paragraph 18. For Event Orders, where the Equipment is not returned to us in the same condition Deposit paid in accordance with paragraph 33. However, where you have requested the catering and kitchen equipment cleaning service, the catering and kitchen Equipment may be returned dirty. An additional charge of 20% of the total Hire Charges relating to the kitchen and catering Equipment is made for this cleaning service.

24. All cartons, boxes and packing materials supplied by us with the Equipment shall be returned to us. Failure to do so will result in additional charges being payable for such cartons, boxes and packing materials as set out in our packing materials price list which is available from us on request.

25. You authorise us or our agents to enter any land or premises where we reasonably believe any Equipment to be, in order to inspect, test, repair or repossess it. This is subject always to your reasonable security requirements which you may require us to comply with.

#### Title, Risk and Insurance

26. The Equipment will remain our property at all times.

27. Subject to paragraph 19, you have sole responsibility for the Equipment from the point of Delivery through the Hire Period and up to and including the time when the Equipment is collected by or returned to us. In this time, You shall, at your own expense, obtain and maintain insurance for the Equipment to a value not less than its full replacement value and against all usual risks of loss, damage, destruction by fire, theft or accident, and such other risks as We may from time to time nominate in writing and such other insurance as may from time to time be required by law.

28. You will ensure that you have obtained any necessary public liability insurance to cover any third party or public liability risks of whatever nature and however arising in connection with the Equipment or your use of it.

29. It will be your responsibility at all times to arrange a suitable supply of electricity for use with the Equipment where required. You shall not use any electrical Equipment unless it is correctly earthed (unless it is of double insulated specification). You shall be responsible for complying with requirements of the Electricity at Work Regulations 1989 during the Hire Period (and for any extension of it).

30. You shall during the Hire Period:

- ensure that the Equipment is kept and operated in a suitable environment, used only for the purposes for which it is designed, and operated in a proper manner by trained competent staff in accordance with any operating instructions that we may provide. You must provide any necessary clothing required in connection with the use of the Equipment;

31. You acknowledge that we shall not be responsible for any loss of or damage to the Equipment arising out of or in connection with any negligence, misuse, mishandling of the Equipment or otherwise caused by you (or your representatives, officers, employees, agents and contractors).

#### Payment

32. The price for the hire of the Equipment for the Hire Period ("Hire Charges") will be the price set out in the Contract. The Hire Charges are calculated from the date requested for Delivery and all time is chargeable during the Hire Period including Saturdays, Sundays and Bank Holidays.

33. For Event Orders, we reserve the right to charge a deposit (in addition to the Hire Charges) to cover against damage or loss to the Equipment of 30% of the Hire Charges ("Refundable Deposit") which shall be paid by you at the time you place your order in accordance with paragraph 38 (or paragraph 39 where applicable). The Refundable Deposit will be repayable by us to you within 14 days of the end of the Hire Period provided that the Equipment has been returned to us in the same condition as it was on Delivery as evidenced in accordance with paragraph 23. Where the Equipment is not returned to us in the same condition in accordance with paragraph 33, we may (at our discretion) retain the Refundable Deposit and make an additional charge for the costs to repair or replace the affected Equipment.

34. Except in relation to Exhibition Orders (where delivery charges are

included within the Hire Charge unless otherwise notified by us), the charges for the delivery and collection of the Equipment to and from the Designated Site ("Delivery Charges") (including any extra charges for deliveries outside of normal working hours) and the installation and/or dismantling of the Equipment (if required) ("Installation Charges") will be set out in the Contract. However, we reserve the right to increase the Delivery Charges or the Installation Charges in the event that we are not able to access the Designated Site in the circumstances set out in paragraph 18(f) or we are required to deliver the Equipment to an alternative Accessible Location. Any such increase will be notified to you at the time the circumstances set out in paragraph 18(f) arise.

35. The Charges are subject to the addition of VAT at the prevailing rate at the time the Order is made. If the rate of VAT changes between Your Order date and the date the Charges become payable, we will adjust the rate of VAT that you pay, unless you have already paid the Charges in full before the change in the rate of VAT takes effect.

36. Where the Equipment is not returned on the Collection Date in accordance with paragraph 20, you shall continue to pay the Hire Charges until such time as the Equipment is returned to us and we have issued a written receipt for it.

37. For Exhibition Orders for non-account holders: all Charges are payable at the time you place your Order.

38. For Event Orders for non-account customers: all Charges must be paid 7 days prior to the start of the Hire Period along with the Refundable Deposit (if required). All sums must be received in cleared funds by us. We reserve the right to charge an initial deposit to secure your order (and we will notify you in writing before we accept your Order if this is required).

39. For any payments taken by us at the time you place your Order:

(a) Where you pay by credit or debit card: we will take the details of your debit or credit card from you at the time you place your Order, connected to the debit or credit card at the point at which we issue the written confirmation of your Order to you.

(b) Where you wish to pay by cheque: you must post a cheque to us after submitting your Order for the relevant payments due and allow 10 days for that cheque to clear. We will not deliver any equipment until the cheque is cleared.

40. Where you have been granted monthly account facilities by us: all invoices sent to you by us must be paid within 30 days of the invoice date.

41. Any further amounts payable by you in accordance with these Conditions are payable on demand.

42. If any payment is not made when due, we will be entitled to interest on the amount that is overdue at four per cent above the prevailing base rate of NatWest Bank plc. This interest shall accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. You must pay us interest together with any overdue amount. This will be without prejudice to any other rights or remedies we may have. You will also pay to us any charges we reasonably incur in the recovery from you of money or Equipment.

43. We use our best efforts to ensure that the price of the Equipment advised to you is correct. However, it is always possible that, despite our best efforts, some of the Equipment may be incorrectly priced. We will normally check prices before accepting your Order so that, where the Equipment's correct price at that date of your Order is less than our stated price at the date of your Order, we will only charge the lower amount. If the Equipment's correct price at the date of your Order is higher than the price stated, we will contact you for your instructions before we accept your order.

44. Please note that: payment made by foreign cheque incurs an additional charge of £25.00.

#### Ending the Contract

45. You can always end your Contract with us. Your rights when you end the Contract will depend on what you have hired, whether there is anything wrong with it, how we are performing and when you decide to end the Contract:

(a) If you are a consumer and want to end the contract because of something we have done or have told you we are going to do, see paragraph 48.

(b) If you are a consumer and have just changed your mind about hiring the Equipment you may be able to get a refund if you are within the cooling-off period, but this may be subject to deductions and you will have to pay the costs of return of any Equipment;

(c) If you are a business or if you are a consumer and paragraphs (a) and (b) above do not apply, please see our cancellation policy in paragraph 50.

46. If you are a consumer ending the contract because of something we have done or are going to do. If you are ending a contract for a reason set out at (a) to (e) below the Contract will end immediately and we will refund you in full for the Equipment where the Hire Period has not already started. The reasons are:

(a) we have told you about an upcoming change to the Equipment or these terms which you do not agree to;

(b) we have told you about an error in the price or description of the Equipment you have ordered and you do not wish to proceed;

(c) there is a risk that supply of the Equipment may be significantly delayed because of events outside our control;

(d) we have suspended supply of the Equipment for technical reasons, or notify you we are going to suspend them for technical reasons, in each case for a period of more than 10 days; or

(e) you have a legal right to end the Contract (or a part of it) because of something we have done wrong.

47. Exercising your right to change your mind as a consumer (Consumer Contracts Regulations 2013) for any Equipment ordered online: if you are a consumer you have a legal right to change your mind within 14 days of our written acceptance of your Order and to receive a refund ("Cooling Off Period"). If you wish to exercise this right, you must let us know in writing within the Cooling Off Period. You cannot change your mind after the end of the Hire Period. If you change your mind within the Cooling Off Period but after Delivery or installation of the Equipment, you must pay us the Charges for the period from Delivery up to the time you tell us that you have changed your mind.

48. If you are a business or if you are a consumer ending the contract where we are not at fault and there is no right to change your mind: Even if we are not at fault and you do not have a right to change your mind, you may still end the Contract before the start of the Hire Period, but you may have to pay us compensation. If you want to end the contract in these circumstances, please contact us in writing to let us know. The contract will end immediately and we will refund any sums paid by you for products not provided but we may deduct from that refund a percentage of the Charges calculated as per the table below depending on the date on which you end the contract, as compensation for the net costs we will incur as a result of your doing so:

Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the Contract was made, both we and you knew it might happen, for example, if you discussed it with us during the hire process.

50. When we are liable for damage to your property, if we are delivering to or providing installation services in your property, we will make good any damage to your property caused by us while doing so. However, we are not responsible for the cost of repairing any pre-existing faults or damage to your property that we discover while providing the services.

53. Nothing in these Conditions limits or excludes our liability for death or personal injury caused by our negligence or fraud or fraudulent misrepresentation.

#### Other important terms

54. Any failure by either party to enforce any or all of these Conditions shall not amount to, or be interpreted as, a waiver of any of their respective rights.

55. You acknowledge that any personal data we hold about you, is held in accordance with our privacy policy [www.thorns.co.uk/privacy-policy/](http://www.thorns.co.uk/privacy-policy/).
