# Testimonial

**SARACENS**

*“Fortis Hire supplies the luxury toilet trailers to Allianz Park. The team are polite and attentive and they are always willing to go the extra mile to ensure that the standards of cleanliness and efficiency remain high.*

*The new units have had fantastic reviews from all the customers since the start of the season. The clever internal design means that queuing time is kept to a minimum and this consequently helps with the efficient flow of people around the stadium.*

*We are delighted that Fortis Hire has signed a long term contract to be the sole provider of luxury toilets within the stadium for up to 10,000 people on match days and also to cater for other events, for example, weddings and conferences. We highly recommend Fortis Hire for both large and small scale events. You will certainly not be disappointed!”*
