

Marquees Installation Services In London,UK

Chillspace UK is a London based company, which takes their services all over the UK and Europe.

Whether it's a small intimate birthday party, a large wedding or conference Chillspace UK can provide you with the right [marquee for your event](#).

When you want a distinctive event production that suits your corporate entertainment occasion, you can rely on the Chillspace team.

Marquees are a fantastic space to host any event.

- Marquees provide a great blank canvas to work with, making anything possible.

- We can bespoke dress, light and furnish any size structure to suit any style or theme.
- Whether you are looking to create a funky ice cave, chillout Moroccan lounge, contemporary night club, elegant black tie event or a product launch our team of designers are ready to help.

Our production services are:-

- Event furniture hire
- Bar hire
- Lighting design and installation
- Dressing
- Set builds
- Chillout packs
- Marquee hire and dressing
- Wedding event design and production
- Corporate event set design and production

If you require a bespoke structure of any type, for any use we will be delighted to help.
