

Hire Venue Dressing In London

Chillspace UK is the Step by Step Event Design and Production house.

We are a team of innovative people whose objective is to deliver outstanding events, whatever shape or size, for exceptional value.

At Chillspace we offer a vast range of [event dressing services](#). We can dress venues, marquees, private houses, terraces as well as any other space you will be hosting your event in, weather it is London and its home counties or anywhere else in the UK or Europe.

- The extent of the dressing always depends on the client's choice. We can completely dress spaces, add to existing features or hide those you don't want your guests to see.

- We are always ready to push the boundaries of what is possible and are happy to advise, it can go as far as you want it, all we need is your brief and the space details, so why not talk to us and get the process started!
- The types of dressing we offer are endless. Pleated dressing, swags, flat and contemporary dressing, theatrical romantic wedding drapes, fairy tale dressing with pea lights or spooky Halloween décor – these are only a few examples of how we can dress your event.
- We are always ready to push the boundaries of what is possible and are happy to advice. It can go as far as you want it, all we need is your brief and the space details, so why not talk to us and get the process started!
