

“We’ve been working with Harlequin Floors for over 20 years”

“ We make TV sets, mainly for light entertainment shows. The floor is important to our clients who often specify gloss black.

Harlequin Floors have always been good quality which is why we keep coming back. ”

Harlequin Hi-Shine™

Harlequin Hi-Shine is the ideal floor for television, concerts, display and exhibitions, as well as for use within theatres and for operatic productions. It rolls out easily and provides a breathtaking glossy finish.

Harlequin Hi-Shine adds lustre to any occasion. It's specified for loose-lay installation and its special high-gloss surface is superior to urethane for scratch-resistance, providing a shiny, reflective surface.

Harlequin Hi-Shine is a striking choice for opera, television sets, high-profile entertainment, fashion shows, product launches, parties, exhibitions, window displays, artistic use, etc. It's purchased by a wide range of production companies and utilised on major TV shows and music videos!
