

LASERS

THE SOUND & LIGHTING COMPANY
HIRE & INSTALLATIONS

Working with the latest technology PulseFX offers the opportunity to provide complete and innovative solutions to all areas of the entertainment industry.

Laser Shows

Laser Shows are all about producing the wow factor. This is achieved through clear and personalised graphics.

You can choose from images, logos and text to create your own show.

- ▷ Weddings ▷ Launches ▷ Advertisements
- ▷ Entertainment ▷ Project onto most structures
- ▷ Freestanding screens (indoors & out)
- ▷ Personalised text and images

Laser Beams

Laser Beams can be used in many different ways, creating atmosphere and adding bursts of colour to any event. Perfect for parties and social events.

This effect can also be combined with a laser show to grab an audience.

- ▷ Launches ▷ Parties ▷ Entertainment
- ▷ Indoor and outdoor ▷ Project over crowds

More options available...

Lasers create beams of light that can be projected over crowds, onto surfaces, or our freestanding screen. This produces a dazzling spectacle.

It can also be paired with fog machines and other special effects to bring a unique aspect to your event.

For parties, events, launches and celebrations both indoors and outdoors. We will create a personalised show using your theme, subject, music and text.
