CLINICAL EXCELLENCE

COMMITTED SERVICES

EVENT EXPERTISE

HOSPITAL AVOIDANCE

Elite Care Medical 24 is a pre-hospital provider of event medical cover and welfare services which is run by experienced healthcare practitioners. Using our extensive knowledge and experience, we provide experienced, highly trained, professional, and dedicated pre-hospital care practitioners to suit both the event risk assessment requirements as well as our client's needs.

At Elite Care Medical 24 we provide a professional and reliable service at an affordable cost, ensuring that our clients get the best possible service. We specialise in providing patient-focused services through customised medical teams to cover your event, activity, or venue throughout the UK. We provide services nationwide across the United Kingdom and our registered office and central base of operations is located in Colchester.

We are able to provide a variety of resources and skills from Emergency Responder's to Doctors and Ambulances to a fully equipped mobile medical treatment centre / field hospital.

We are able to provide a sole healthcare practitioner or if required a full medical team. We have an extensive range of skills, abilities, experience, knowledge, and equipment within the company. We are able to provide a range of skilled, confident, and competent staff which all go through a robust recruitment process to NHS standards prior to working for the company. Part of our aim is to reduce the impact on NHS resources and reduce response times by providing fully equipped and highly experienced healthcare practitioners on location in areas where there are expected potential risks of injury or illness occurring.

Through a team of skilled, competent healthcare practitioners and a robust senior team we are passionate about delivering a compassionate and respectful service meeting the needs of clients and all service users.

We have experience in providing event medical cover and welfare related services across a range of events including:

- Nightclubs and Bars.
- Music Festivals.
- Sporting Activities.
- Fates and Fair's.
- Firework Displays.
- Community and Cultural Events.
- TV and Film production.
- Motorsport / Motocross.
